BOOK 2

Beat 'Em All Casino Winner

A new concept in gambling is presented in this book by Joseph Tsiyoni, author of several professional books, professional auditor and analyst and an inventor. He draws on 20 years of casino experience in developing this new approach and new concept in gambling.

In Mr. Tsiyoni's professional opinion, the book, which is written in a new format, is one of the best gambling books available, if not the best one. It consists of easy to follow instructions, which show experienced or first-time gamblers a new way to make their trip to the casino enjoyable. The new concept is based on playing only some games for pleasure, and playing one specific game to win. The instructions tell when to play, how to play, where to play, and how much money to bet, etc. Tsiyoni's step by step guide to gambling proves there is a better way to win, a better way to play, a better way to have fun. The new format, consisting of 133 numbered sections, makes the referral from one section to another easy. It enables experienced gamblers to skip sections containing information they may already know. (Note: Book has B/W photos/cover)

BOOK 3

AsthmaGone? -- How Asthma Symptoms Disappeared In Six Months

A cure for asthma & bronchitis may have been proven (Using Dr. Koder's natural process).

Nothing is more convincing than testimonies of some of hundreds people who were cured from asthma and bronchitis. That is thanks to a simple cooking process which was developed by the late physician, Dr. Julien J. Koder, M.D. and Dentist. He himself treated hundreds with his 6-months natural grain cooking process, whereby all asthma and bronchitis symptoms disappeared. The process is well described in Joseph Tsiyoni's book "AsthmaGone? How Asthma Symptoms Disappeared In Six Months".

Mr. Tsiyoni claims that this is the only known process which helps people who suffer from Asthma, Bronchitis, Coryza & Irritative Cough. All existing medications can only relieve attacks and pain until the next episode. Nothing totally prevents attacks, hospitalization; nothing is as helpful as Dr. Koder's proven process. Many people have been missing a great opportunity to enjoy a life-time opportunity using this ONE-TIME, EXTREMELY INEXPENSIVE natural process, instead of taking many medications and suffer at high cost.

"AsthmaGone" reveals Dr. J. Koder's natural grain cooking process, which eliminated all asthma and bronchitis symptoms of hundreds of people each in 6 months, using only \$45 worth of a natural grain(now about \$95). The process described in Tsiyoni's book, along with information on omega oils (in the grain) is simple, and easy to use. Note that Omega Oils have been the main element in a massive world-wide research for a cure for asthma.

Author Joseph Tsiyoni says that he had helped many people, and that he can "prove it with medical records and testimonials." He says it is worth it to spend \$65 on a natural grain, rich in omega oils, just to have a life-time chance, as many people did. He added "Considering doctor visits, hospitals and medication costs, can an asthmatic person afford not to try it?"

Following are quotes from letters of extremely satisfied users of the amazing process.

Amenda Stanwood: "I have had great success. was using 2 inhalers 4 times daily. My Dr. was putting me on Advair – I quite by chance fell upon your book. I thank god I was led to your process I thank u for this wonderful process. My Life is much Better-I can Breathe Thank you!"

Clint Collins: "After just two months of eating the natural grain, I had significant reduction...and after another few months, I did not need any medication... I can honestly say: my asthma has gone.

James Matt: "Dear Joseph:how wonderful that Asthma Process worked wonders for my 6-year old son, Michael...my son's asthma in six months seems to be totally gone. ... Now he takes nothing.... THANK YOU VERY MUCH." [visit www.AsthmaGone.com].

7. <u>MOVER INVENTION:</u> A REVOLUTIONARY BIKES AND FURNITURE MOVER: THE ONLY SUCH INVENTION IN THE WORLD	<u>" MOVE 'EM ALL " – a new mover</u> MAINLY FOR EXERCISE BIKES, BUT CAN ALSO BE USED FOR OTHER FURNITURE. Moving Exercise Bikes and (many) Fitness Machines <u>By One Person ONLY</u>	
<u>DESCRIPTION</u> A furniture dolly-type apparatus, for multi purposes, especially for moving fitness machines exercise bikes.		
<u>CURRENT HAULING PROBLEM</u> Difficulties moving exercise bikes and (many) fitness machines, especially in narrow places such as home, and due to the weight of such machines, physical damage is common for people who attempt to move such equipment. Although some have fitness machines have front or rear flat special wheels, the user must lift one side to push the machine. This would surely cause back and other damages, even hernia. Other machines take several people to move.

using a **few fingers only**. A photo showing an exercise bike with the invention, and a video demonstration are available upon signing NDA.

Both show one exercise bike with front flat wheels, and a flat metal bar in the rear, without wheels. A person moves the exercise bike with ONE FINGER!

Therefore, the Move 'Em Around™ ("Mover") **is** newly invented product on the process of patent application.

No other dolly enables that. (E.g. Harbor Freight item No. 93888). The new invention is designed uniquely move *fitness machines* and *exercise bikes*.

A video demonstration is also available pending signed NDA.
